## **Club Equipment News 2013 AGM**

Another quiet year on the equipment front.

Two more sets of roller skis acquired through the generosity of Roger and Penny Lasko.

For the clubs equipment policy and list see the following pages.

If you want to use any gear try to give me ample warning, otherwise you may be disappointed. I am often away and if it is snowing I may well be out playing.

## Club Equipment Policy

2. Equipment will only be loaned to Club Members. Non Members charges apply where Club Members borrow equipment for use by Non Members under a Club Members supervision.
3. The Club does not have a policy to build a large stock of equipment. However, any opportune bargains that arise may be purchased at the discretion of the Committee. Any gifts of unwanted but usable equipment will be gratefully accepted.
